

Enhanced Entity Relationship Diagram of Project (Group 3)

- 3. The entity type 'RANK' is removed since we plan to rank according to attributes of 'ITEM'.
- 4. The entity type 'TYPE_OF_GOODS' is removed since we made 'TYPE' as an attribute of 'ITEM'.
- 5. We created a new weak entity type 'IDEA_LIST'.
- 6. In order to keep conformity, we change all characters to uppercase. Meanwhile, we rename some relationships and entity types to eliminate ambiguity.
